(c) Yes, Sir.

(d) WAPCOS was engaged as Expert Consultants by the Hyderabad Metropolitan Water Supply & Sewerage Board for the project "Augmentation of Water Supply to the Twin Cities of Hyderabad & Secunderabad".

The recommendations submitted are given in the Statement (*see* below).

STATEMENT

Recommendations:

(i) The Additional requirement of 16.5 TMC (260 MGD), by 2011 A.D. (for projected population of 60 lakhs) for Water Supply to the twin cities was split up in 3 phases of 5.5 each.

(ii) The water is to be drawn for the 1st phase requirement of 5.5 TMC from the foreshore of Nagarjuna Sagar reservoir either in conjunction with irrigation scheme (SLBC) to pump it to proposed Akkampalli balancing reservoir and from there to the twin cities or as an ideependent scheme with a separate intake.

(iii) The subsequent phase requirements were also to be met from the Nagarjuna Sagar by augmenting the supplies of the Krishna basin by a number of identified schemes.

(iv) In order to off-set the effect on irrigation on account of these withdrawals from the storage of Nagarjuna Sagar reservoir and also to serve as a terminal reservoir, the contemplated Pulichintala Project could be taken up as early as possible.

(v) Supplementing from the Godavari viz. (a) Inchampalli right bank canal and (b) Dummugudam anicut by Pumping 16.5 TMC to Nagarjuna Sagar left bank canal at Tallada regulator.

(vi) On the Godavari river, the Committee considered Kanthalapally site as the second dependable source in order of priority.

Issuance of Irrigation Bonds Scheme

3492. SHRI MURLIDHAR CHANDRAKANT BHANDARE:
SHRIMATI VEENA VERMA:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government of Maharashtra had mooted any proposal for issuing Irrigation Bonds to raise finance for its projects to optionally utilise the water in the Krishna Godavari basin; if so, the details of the Bond scheme and the amount of funds sought to be raised; and

(b) if so, Government's reaction in this regard?

THE MINISTER OF WATER RESOURCES (SHRI V. C. SHUKLA): (a) and (b) Yes, Sir. As the total investible resources for the market borrowing programme, both for the Central and State Governments, is limited, there is no scope for allowing any additional allocation to Maharashtra Government over and above the borrowing programme as already approved.

राजस्थान के जल का बंटवारा

3493. **श्री शिवचरण सिंह :** क्या **जल संसाधन** मंत्री यह बताने की कृपा करेंगे कि :

(क) राजस्थान के जल के बंटवारे से संबंधित सरकार के विचाराधीन अंतर्राज्यीय मामलों का ब्यौरा क्या है ;

(ख) सभी मामलों के संबंध में कब तक निर्णय ले लिया जाएगा और विलम्ब के क्या कारण हैं ;

(ग) अंतिम निर्णय लिए जाने तक उस राज्य के हिस्से का जल न दिए जाने के क्या कारण हैं ; और

(घ) क्या यह सच है कि यदि राजस्थान को जल उपलब्ध करा दिया जाए, तो वह सारे देश को खाद्यान्न और
